

Certification Acceptance Authority Validation
--

National Scenic Byway Projects

Certification Acceptance (CA) is a program in which the Federal Highway Administration (FHWA) delegates authority to WSDOT for approving project development and construction administration. WSDOT has the option of delegating some or all of this authority to qualified local agencies, state or federal agencies, or Indian tribes. . The person responsible for administering the CA program in an agency must provide the signature on this form. Contact your regional Local Programs Engineer to determine your CA agency and the signing authority.
